

Swami Vivekanand Health Mission Society, Uttarakhand

Quarterly Newsletter
July - Sept. '2021

From editor's desk:

The second quarter brought hope and respite from the ongoing COVID 19 pandemic which had shaken the humanity during the last few months. The SVHM Society's scaled another frontier and accomplishment when their 10th charitable hospital was dedicated to the humanity at Gangotri Dham on 29th September 2021 thus inching closer to their vision of having modern health facilities at all the 4 Char Dham's of Uttarakhand. Notably the Society is already running charitable hospitals at Badrinath and Kedarnath Dham since 2019.

Another feat was inauguration of a 250 LPM capacity oxygen generation plant built with support from SEWA International, Australia branch on 19th of September 2021 at SVHM Dharmawala, the auspicious day coinciding with the 9th anniversary of the Swami Vivekanand Charitable Hospital, the first hospital to be established by the SVHM society at Dharmawala.

The Society hospitals in this quarter experienced marked surge in all their spectrum of services with, many of the hospitals experiencing commendable increase in number of OPD, indoor patients, surgeries, investigations, multi-disciplinary and super speciality camps.

The quarter saw resumption of Char Dham Yatra and acting promptly society made operational their hospitals of Badrinath Dham and Kedarnath Dham. Both of these hospitals along with the newly inaugurated Gangotri Dham were catering to large number of pilgrims and devotees and the Society diligently remained committed to their motto of "Nar Sewa Narayan Sewa".

NEWLY ESTABLISHED FACILITIES

SVHM Society's Achievements of the Quarter

1 29-09-2021 (Gangotri Dham): Inaugurated in the holy presence and blessings of Pujniya Swami Raghavendranand Ji of Ishavasyam Ashram, Gangotri Dham and Dr. Anuj Singhal, Secretary, SVHM Society, senior management and staff of temple committee, pilgrims, saints and local police officials. This 12 bedded facility hospital is established at Gangotri Dham and will be offering totally free services round the clock thus becoming the only hospital in the area to do so. The hospital is equipped with facilities of fully equipped ICU, Emergency, Digital X-ray, ECG, Laboratory, Pharmacy, Male and Female wards.

2 19-09-2021 (Dharmawala): Oxygen Generation Plant (250 LPM capacity) donated by SEWA International, Australia branch inaugurated at Dharmawala as a part of COVID 3rd wave preparation thus giving a medical boost to the remote tribal area.

3 21-09-2021 (Haridwar): A new emergency block and Physiotherapy department was inaugurated in the esteemed presence of Mahamandaleshwar Swami Rupendra Prakash ji Maharaj and Honorable Shri Sudhir Ji (Akhil Bhartiya Sangathan Mantri, Rashtriya Seva Bharti). Other dignitaries who remained present were Shri Rohitash Kunwar (Jila Sanghchalak, RSS Haridwar), Dr. Yatinder Nagyan (Senior Dermatologist and Nagar Sanghchalak, RSS Haridwar), Dr. Naveen Agrohi, (Senior Orthopaedician), Dr. Ankit Saini (Jila Karyawah, RSS Haridwar) and Shri Amit ji (Jila Pracharak, RSS Haridwar) .

4 06-08-2021 (Dharmawala): A totally free Telechikitsa helpline was launched for providing tele consultation by experienced and senior doctors of SVHM Society to the patients who are unable to visit and access quality health services and are at home.

5 30-08-2021 (Dharmawala): An advanced FUJI FILM DRI - HEM NX 600 lab machine installed thus augmenting the lab facilities. The machine has following features:

- Can process 128 samples per hour.
- 100 % accuracy.
- Different investigation like LFT, KFT, lipid profile etc. can be processed simultaneously.

"Take up one idea. Make that one idea your life; dream of it; think of it; live on that idea. Let the brain, the body, muscles, nerves, every part of your body be full of that idea, and just leave every other idea alone. This is the way to success, and this is the way great spiritual giants are produced."
