From editor's desk:

Chants of "Har Har Mahadev", "Jai Badri Vishal" and "Jai Gange" reverberated the atmosphere around our Chardham hospitals as the Yatra began for the year and so began our yet another divine season of public spirited service to the devotees.

Society launched their own Char Dham Saathi Mobile App for the devotees visiting the Chardham of Uttarakhand thus scripting another historic moment. The App inaugurated on 27th of April by Honourable Governor of Uttarakhand Lt. Gen. (Retd) Gurmit Singh provides one-click access to SVHM Society's hospitals, emergency resources, and travel preparation for the Char Dham Yatra. In another development Society run Dr. Nityanand hospital at Maneri was shifted into a bigger premise in Uttarkashi city thus fulfilling a long standing demand of the locals for a quality charitable hospital. This hospital known as Shri Maharishi Bhrigu Charitable Hospital is providing quality health care facilities to the poor, disadvantaged, impoverished as well as to the saint community. The hospital is poised for a major boost as it will start Ultrasound facility soon.

Society organised a cherishable "SVHM Parivar Milan" programme at Haridwar to foster a sense of connection and belonging among members who usually do not see each other frequently due to distances, busy schedules, or other reasons. The celebrations included Hindu Samrajya Diwas, International Nursing Day, International Yog Day and Narayankoti Hospital foundation day. All these were celebrated with full enthusiasm and joy. Visits by distinguished guests was another highlight of the quarter, prominent among them were Shri Dhan Singh Rawat, Health Minister of Uttarakhand, Shri Tarun Vijay, Ex Rajya Sabha MP and many others. Everyone who toured our facilities was full of praise and appreciation.

Resumption of Homeopathic OPD at Dharmawala hospital along with addition of Physiotherapy and Eye departments at Uttarkashi Hospital were other notable events. The Society kept conducting multidisciplinary camps with usual momentum which included two mega camps at Dharmawala of which first was Social Service Camp conducted by UPASI under the banner of ASI, which witnessed eminent surgeons from all over the nation providing their services and next was third spine surgery camp held with support of The Spine Foundation Mumbai and HOPE (Helping Old People Everywhere) organization, Dehradun where complex spine surgeries were done by a highly accomplished team. Society's Uttarkashi and Haridwar hospitals also continued conducting multi-specialty camps for the benefit of the patients.

Society is always striving to enhance the capacity of their Doctors and staff, and in the same endeavour Dharmawala Hospital's Orthopaedician Dr Abhishek has been undergoing a month long training programme for Arthroscopic Surgery. The skill enhancement will help make available an advanced procedure which is usually accessible at selected few hospitals only. The quarter is witnessing lots of Doctors from all over India with their philanthropic gestures coming for voluntary services at our Chardham high altitude hospitals and helping the Society in realising their mission of providing high quality health care services to the pilgrims.

The Society has and always been at the forefront to serve humanity and seeks eternal blessings and wishes from their well-wishers to continue the same.

Our Footprints

“ We reap what we sow. We are the makers of our own destiny. ”
 -Swami Vivekanand

Founded in the year 2012 by a group of young Doctors and some philanthropists, Swami Vivekanand Health Mission Society is continuing its mission of providing high quality charitable health care to mankind. The Society started its journey by establishing their first charitable project in the form of a small dispensary at Dharmawala, a tribal dominated village, situated 40 km from Dehradun, Uttarakhand and bordering the states of Himachal Pradesh and Uttar Pradesh.

The self-belief of the Society to provide quality health care to the deprived, tribes, pilgrims and needy along with strong willed approach led to establishment of more hospitals in phases as well as the up gradation of the small dispensary of Dharmawala to a full-fledged multi-specialty hospital.

The Society with its vision and mission as the guiding principles also established charitable hospitals in three of the Char Dham's of the state of Uttarakhand. These are at Shri Badrinath Dham, Shri Kedarnath Dham and Gangotri Dham and are fully equipped with ICU facilities with staff trained in dealing with the health problems of high altitude. The vast number of pilgrims visiting these shrines

from all over the world used to suffer because of non-availability of quality health care and the morbidity and mortality at these shrines was worrying, the establishment of Society's hospital at these Dham's brought down the rates by 90%. Presently, 12 charitable hospitals are being run by the Society, out of which 11 are in Uttarakhand and one is in Delhi.

The Society apart from its charitable hospitals is also involved in other philanthropic activities like conducting community medical camps in remote, hilly and difficult to reach areas (during COVID wave also), education activities, making community self-reliant via Swavalamban Abhiyaan and community health programmes which encompass five programmes in itself (Anaemia Prevention, Control and Treatment Programme, Breast and Cervical Cancer Awareness and Screening Programme, Menstrual Hygiene Programme, Community Mental Health Programme and Oral, Head and Neck Cancer Awareness, Screening and Treatment Programme).

The "Nar Sewa Narayan Sewa" motto of the Society has been and will always remain the essence of all our endeavours to serve humanity.

27th April

"Char Dham Saathi App Launch"

Dehradun

CHAR DHAM HOSPITALS

Our Char Dham Hospitals provide care at no charge

Governor launches Health facility mobile app for pilgrims

Char Dham Saathi App provides one-click access to all the SVHM Society's hospitals, emergency resources, and travel preparation for the Char Dham Yatra. Users can access SVHM local hospitals info by clicking on their nearest Yatra Destination. Beyond this, users can access information specific to SVHM Society and learn about our activities and hospitals outside the Char Dham. The Application was launched by Hon'ble Governor of Uttarakhand Lt.-Gen. (Retd.) Gurmit Singh at Raj Bhawan in the presence of senior SVHM Society members and the developers. The app is simple and user friendly with details on each of the hospital including contact number and route map linked to Google maps.

4th April

"Inauguration of Shri Maharishi Bhrigu Charitable Hospital, Uttarkashi"

Uttarkashi

SVHM Secretary Dr Anuj addressing the gathering at the inauguration event of the hospital in the esteemed presence of Ashram Saints and several other eminent dignitaries

DM Shri Abhishek Ruhela & SP Shri Arpan Yadhuwanshi, of Uttarkashi spared their precious time to visit the hospital reviewed the facilities and assured full cooperation.

SVHM Society with assiduous support of Bhrigu Ashram management shifted their Maneri hospital to a larger premise at Shri Maharishi Bhrigu Ashram, Ujeli, Uttarkashi thus fulfilling a long standing need of a quality healthcare facility. The inauguration event had the gracious presence of Sant Vedanand Ji Maharaj, President - Shri Vishnu Naman Bhrigu Satsang and Medical Trust; Sant Acharya Vishnu Teerth Ji Maharaj, Vedacharya - Som Ashram, Uttarkashi; Shri Suresh Chauhan, MLA Uttarkashi; Shri Gulab Singh Negi, Vibhag Sangh Sanchalak Tehri Region; Shri Swapnil Ji, IPS from Noida; Dr Ramesh Chandra Singh Panwar, CMO Uttarkashi; local folk singer Shri Rajnikant Semwal Ji; several doctors of Uttarkashi district Hospital, more than 125 saints, local citizens and the SVHM team.

2nd April

"6th Foundation Day Celebrations "

Narayankoti

Lamp Lighting ceremony during the event

The occasion had the gracious presence of Chief Priest of Shri Kedarnath Dham temple, Shri Gangadhar Lingam who was the chief guest. Other dignitaries included Dr. H.C.S. Martoliya, CMO Rudraprayag; Shri Diwan Singh Rana, Tehsildar, Ukhimath; Dr Praveen Kumar Reddy, Director, Haridwar hospital and Shri Bhajan Singh Khatri, Seh Sanghchalak for Rudraprayag, Karnaprayag and Chamoli Districts.

A presentation on the 6 years journey of the hospital was shared by Dr Purvie which was followed by cultural programs and inspiring addresses by Chief dignitaries.

7th - 9th April

"SVHM Participation in Rashtriya Sewa Sangam"

Jaipur

SVHM Society showcased their philanthropic journey in an impressive display adorned with posters and publications in a three day Rashtriya Sewa Sangam meet held at Jaipur. The objective of this national conference conducted every five years was to establish a harmonious, capable, self-reliant society and a prosperous India by establishing synergy between the collective efforts of voluntary organizations associated with Rashtriya Sewa Bharti.

The SVHM stall drew huge crowds with the delegates thronging for information about our services and charitable endeavours.

"Experience Sharing Workshop at AIIMS, Delhi"

Delhi

SVHM Team with AIIMS Delhi Faculty

Dr Chandan delivering a lecture on high altitude sickness

SVHM Society received a prestigious invite from AIIMS Delhi to explore the collaboration between two institutes and to share their experience, technical know-how and prowess in treating high altitude sickness and other health issues among pilgrims coming for the Char Dham Yatra. The Society which has been running ICU equipped fully free charitable hospitals in three of the Chardhams of the state of Uttarakhand was represented its team along with Professor & Head of Dept. Dr K P Kochar and other AIIMS faculty. The workshop was organised by the dept. of Physiology.

Highlights of the Quarter

"Health ATM Machines Installed at SVCH Hospitals"

A total of 8 Health ATM Machines were installed at Dharmawala, Haridwar, Pipalkoti, Narayankoti, Barkot, Uttarkashi and Shri Kedarnath Dham hospitals provided through Director General, Medical Health and Family Welfare, Uttarakhand under the C.S.R. initiative of Hewlett Packard Enterprise.

A health ATM is a touch-screen kiosk hardware built for managing health-related information. By virtue of this health ATM, height measurement, weight measurement, temperature measurement, hemoglobin, blood sugar, blood pressure, oxygen & pulse measurement, lipid profile test, ECG, Eye test, Alcohol test, ENT & skin check up, IQ test, and many others could be done.

11th May "National TB Elimination Programme (NTEP) Nutritional Support" Dharmawala

Nutritional Supplement distributed to TB beneficiaries sponsored by "The Hans Foundation"

To address the issue of undernutrition among TB patients, a programme was held at SVCH Dharmawala in collaboration with the TB Association of Uttarakhand where the TB patients undergoing DOTS treatment from the hospital were distributed free rations and supplements. SVCH Dharmawala is functioning as a TB & DOTS from July 2017 and is running the National TB Elimination Programme successfully since then.

From SVCH Dharmawala, the programme was attended by Dr Pramod Sharma, Senior Consultant (CTVS), Dr Anuj Singhal, Society's Secretary, Dr Tarashree Singhal, Dr Deepak Sinha, Dr Tejasvi Agarwal and staff. Other participants included Mrs. Poonam from T.B. Association of Uttarakhand and Mr. Dinesh Singh Jyada, STLS from CMO Office, Dehradun.

"SVHM Parivar Milan"

Haridwar

Society organised a memorable family union programme at the holy city of Haridwar after a gap of three years with the intent to let their members spent quality time together, indulge in outings and form bonds with one another. The members relaxed, eased and were re-energized to set forth yet again on the path of serving the sick, needy and indigent. The high point of the event was an inspiring address by Dr Krishna Gopal Ji who took time from his busy schedule to be with us to guide, motivate and impel.

Bhumi Pujan of proposed new hospital at Shri Kedarnath Dham

Outlay of proposed new hospital at Shri Kedarnath Dham

Society run hospital at Shri Kedarnath Dham and last year alone we served more than 1,13,000 pilgrims. Existing hospital being a 8 Bedded temporary facility with limited space is finding it difficult to cater such a large number of pilgrims averaging 1000 per day. To address this, a 50 bedded advanced high altitude hospital is now being built to provide state-of-the-art healthcare facilities to the pilgrims. Society has procured land and the construction has begun. Similarly the expansion of Shri Badrinath Dham hospital is also underway and will begin soon.

Kindly support by donating for this noble cause
