Ask nothing; want nothing in return.
Give what you have to give; it will
come back to you but do not think of
that now.

- Swami Vivekanand

From the Editor's Desk

Society welcomed the year's third quarter with complete divinity, holiness and sanctity as Prabhu Shri Ram Darbar was consecrated in Society's Dharmawala hospital. The three-day auspicious programme was conducted among chanting of Shloks and mantras with all the rituals, rites and customs observed and performed with utmost devoutness and piety.

On the revered occasion, a grand procession of Prabhu Shri Ram Darbar was also taken out through the main thoroughfares of Dharmawala in which all the Doctors, staff and nearby villagers participated with full devotion and made the atmosphere reverberate with the chants of "Jai Shri Ram." The consecration ceremony witnessed immense devotion as devotees from all walks of life thronged to have darshan of Prabhu Shri Ram Darbar, which included many eminent personalities and saints.

With the conclusion of Char Dham Yatra for the year, Society's Dham hospitals also closed until next year thus giving us another season replete with experiences upholding our motto of "Nar Seva Narayan Seva" (serving humanity is serving God).

Our Shri Kedarnath Dham hospital needs special mention here as even after the closure of the shrine, our staff are still working 24x7 in sub-zero temperatures to meet the health needs of the workers numbering about 1000 and who are involved in reconstruction work around Shri Kedarnath shrine including Society's new hospital.

Commencement of ENT (Ear, Nose and Throat) surgeries along with introduction of "Virechan Panchkarm" in the Ayurved Department of Haridwar hospital was another notable event of the quarter. Society's Petshal hospital demonstrated their prowess for any disaster situation when they efficiently and promptly managed the victims of a mini-bus accident thus saving precious lives and earning huge respect from them.

Fulfilling their humanitarian duties, the Society extended full support and more than 50 doctors and staff of Dharmawala hospital actively participated in the mega "Aakrosh" (protest) rally held at Dehradun against the atrocities on minorities, especially Hindus, in the neighboring country Bangladesh.

In this quarter too, all the Society hospitals celebrated festivals with great enthusiasm and revelry, most notably among them were Navratri, Vijaydashmi and Deepawali etc. Like every year, this year too gifts were distributed to the staff of all the hospitals on the occasion of Deepawali.

The coming quarter will bring more new achievements and with the immense grace of Prabhu Shri Ram the charitable journey of SVHM Society will continue unabated.

VRINDAVAN
June 2024

Founded in the year 2012 by a group of young Doctors and some philanthropists, Swami Vivekanand Health Mission Society is continuing its mission of providing high quality charitable health care to mankind. The Society started its journey by establishing their first charitable project in the form of a small clinic at Dharmawala, a tribal dominated village, situated 40 km from Dehradun, Uttarakhand and bordering the states of Himachal Pradesh and Uttar Pradesh.

The self-belief of the Society to provide quality health care to the deprived, tribal, pilgrims and needy along with strong willed approach led to establishment of more hospitals in phases as well as the up gradation of the small clinic of Dharmawala to a full-fledged multi-specialty hospital.

The Society with its vision and mission as the guiding principles also established charitable hospitals in the Char Dhams of the state of Uttarakhand. These fully free hospitals are at Shri Badrinath Dham, Shri Kedarnath Dham and Gangotri Dham and are fully equipped with ICU facilities with staff trained in dealing with the problems of high altitude. The vast number of pilgrims visiting these shrines from all over the world used to

suffer because of non-availability of quality health care and the morbidity and mortality at these shrines was worrying, the establishment of Society's hospital at these Dhams brought down the rates by 90%. Presently, 14 charitable hospitals are being run by the Society, of which 11 are in Uttarakhand, two are in Uttar Pradesh and one is in Delhi.

The Society apart from its charitable hospitals is also involved in other philanthropic activities like conducting community medical camps in remote, hilly and difficult to reach areas (during COVID wave also), education activities, making community self-reliant via Swavalamban Abhiyaan and community health programmes which encompasses five programmes in itself, Anaemia Prevention, Control and Treatment Programme, Breast and Cervical Cancer Awareness and Screening Programme, Menstrual Hygiene Programme, Community Mental Health Programme and Oral, Head and Neck Cancer Awareness, Prevention and Treatment Programme.

The "Nar Sewa Narayan Sewa" motto of the Society has been and will always remain the essence of all our endeavours to serve humanity.

Highlights of the Quarter

Prabhu Shri Ram Darbar Installed at Dharmawala Hospital

Dharmawala Hospital atmosphere was engulfed with spirituality and divinity from the 10th to 12th of October when Prabhu Shri Ram Darbar was installed in the sanctum sanctorum of the temple situated in the hospital premise. The three-day consecration ceremony saw everyone indulging in sanctitude and leaving no stone unturned to make the occasion grand and imperishable. The entire function of the installation of the divine idols of Prabhu Shri Ram, Mata Sita, Lakshman Ji and Rambhakt Hanuman Ji was conducted with absolute religiosity and reverence among chanting of mantras and Shloks pertaining to the consecration ritual. A grand procession of Prabhu Shri Ram Darbar was also taken out in which the Doctors, staff and local villagers participated with full enthusiasm and vibrance making the ambience reverberate with the chants of "Jai Shri Ram." The holy and special event brought devotees from all walks of life including Swami Prem Vivekanand Ji and other seers from Sadhana Kendra Ashram, Dumet, several dignitaries and personalities and Dharmawala hospital family thronging to the temple to have a glimpse and pay obeisance to their revered deities.

Highlights of the Quarter

Swami Vivekanand Charitable Hospital Shri Badrinath Dham's Manager Banketesh Bhandari honoured with Badrish Seva Ratna

6th October : Shri Banketesh Bhandari was conferred with "Badrish Sewa Ratna" by the SDM Joshimath, SHO Badrinath Dham, Executive Officer Municipal Panchayat Badrinath Dham and Vice President, Badrinath Kedarnath Temple Committee for providing excellent services at Shri Badrinath Dham in the Badrish Panchayat Mahotsav organised under the auspices of Municipal Panchayat Badrinath at Shri Badrinath Dham.

Highlights of the Quarter

Uttarkashi Hospital Pays Obeisance to (Late) Swami Vedanand Ji Maharaj

27th October: A meeting to pay tribute to (late) Swami Vedanand Ji Maharaj was held in which the team of visiting volunteer Doctors, Uttarkashi hospital Doctors and staff paid homage by offering flowers and remembered the great saint for his invaluable bestowment for the hospital. Dr Nakul Upadhyay whose is also the nodal officer of Uttarkashi hospital shed light on the altruistic journey of Swami Vedanand Ji and recounted his philanthropic vision and contributions towards humanity.

SVHM Society Participates in “Aakrosh” Rally Held at Dehradun against Atrocities on Hindus in Bangladesh

10th December: On the International Human Rights Day, an “Aakrosh” rally was organized in Dehradun to protest against the atrocities being committed on minorities, especially Hindus, under the aegis of the interim government of Bangladesh. SVHM Society extended their full support and more than 50 Doctors and staff from Dharmawala hospital aggregated at the venue with placards of message displaying their concerns in their hands, participated in the rally and registered their remonstrance. Society also initiated a signature campaign against these atrocities, a copy of which was sent to the Hon'ble President through the District Magistrate.

Special Visits

Shri Rajkumar Matala Ji, Akhil Bharatiya Sah Sewa Pramukh and Shri Chandrashekhar Ji, Sah Prant Pracharak, Uttarakhand Prant from RSS along with other functionaries were on a visit to SVHM Society hospitals. The esteemed guests toured the entire hospital, met all the Doctors and staff and showed keen interest in the various facilities. The guests highly praised the services being provided in the hospitals and wished for the progress and prosperity of the hospitals.

Special Visits

6th October : Madhav Hospital, Narayankoti

Renowned Ayurved practitioner, former Dean, Faculty of Ayurveda, BHU Padmashri awardee Prof. (Dr.) Manoranjan Sahu Ji was on a visit to our hospital. Dr Sahu has introduced the IFTAK technique (Interception of Fistulous tract and application of Kshar Sutra) and has been a pioneer in reviving and popularising ancient surgical practices of Ayurveda in accordance with contemporary science. It was indeed a privilege for the hospital to have him with us.

Prof. (Dr.) Manoranjan Sahu 7th from right

7th October : Swami Vivekanand Charitable Hospital, Pipalkoti

RSS Kshetriye Sah Sampark Pramukh Dr. Harish Ji and other RSS functionaries were on a visit to our hospital. The esteemed guests inspected the entire hospital premise, visited different departments and met the Doctors and staff. Feeling very happy with the facilities and services, the guests were full of praise for the hospital.

Dr Harish Ji 4th from left

9th October: Swami Vivekanand Charitable Hospital, Badrinath Dham

RSS Akhil Bharatiya Sah Sewa Pramukh Shri Senthil Kumar Ji visited the hospital, inspected each facility and learned about them in detail. He also inquired about the pilgrims and their health issues. He was highly impressed with the ICU and emergency facilities and was astonished to witness such services at such a high altitude. He appreciated the health care work being done by the staff and encouraged them with his inspiring words. The Doctors and staff of the hospital also felt honoured with the words of appreciation and assured him of continuing the good work.

Shri Senthil Kumar Ji (in middle)

20th October: Swami Vivekanand Charitable Hospital, Gangotri Dham

Judge of the Supreme Court of India, Justice Honorable Shri Bhushan Ramkrishna Gavai Ji visited the medical outpost of our hospital located in the temple premises and inquired about the various hospitals of Swami Vivekanand Health Mission Society. He praised the dedication of the hospital and wished to provide even better health services in future.

Hon'ble Shri Bhushan Ramkrishna Gavai Ji being presented with the Society's newsletter

Special Visits

3rd December: Swami Vivekanand Charitable Hospital, Dharmawala

Shri Sunil Kumar Ji from PTC Foundation was on a visit to our hospital for inspection of ACLS ambulance and operation theatre equipment provided under the CSR initiative of PTC Foundation. These equipment have really helped the poor and underprivileged patients. Society expresses its heartfelt gratitude to the PTC Foundation for this kind support.

Shri Sunil Kumar Ji 2nd from left

19th December: Swami Vivekanand Charitable Hospital, Barkot.

Prant Pracharak Pramukh Shri Narayan Ji from RSS and other functionaries visited our hospital, took keen interest in the facilities and met all the Doctors and staff. The guests after touring the entire hospital and reviewing the services and facilities were immensely impressed and appreciated the Doctors and staff for their excellent services. The hospital Doctors and staff extended their thanks to the guests for their appreciation and admiration.

Shri Narayan Ji 5th from right

22 December : Swami Ramprakash Charitable Hospital, Haridwar

Four resident Doctors and ninety students of 2nd year MBBS from AIIMS Delhi visited our hospital as a part of their field trip. They were taken on an extensive tour of all the departments of the hospital followed by screening of the SVHM Society documentary. Also, the students were detailed about the charitable work of the Society by the Medical Director of the hospital, Dr. Sanjay Shah.

AIIMS Delhi Students

Hospital's Health Camps

Dharmawala: Urology Camp Conducted by NZUSI (North Zone chapter of Urological Society of India)

6th October: A total of 13 Uro surgeries were conducted successfully in the camp organised as a part of NZUSI-Cares Social initiative programme. A felicitation programme was held to honour these eminent Urologists and their team which included Dr P P Singh (President, NZUSI), Dr Rishi Nayyar (Secretary, NZUSI), Dr Shailendra Goel (Treasurer, NZUSI), Dr Pankaj Gaur (Max Hospital, Vaishali), Dr Ankur Mittal (HOD, Urology, AIIMS, Rishikesh), Dr Vikas Panwar (AIIMS, Rishikesh), Dr Brij Mohan Joshi (Max Hospital, Vaishali), Dr Vikas Bansal (Yashoda Hospital, Ghaziabad), Dr Pradeep Deb (S N Medical College, Agra), Dr Abhishek Pathak (S N Medical College, Agra), Dr Tahir (AIIMS, Rishikesh) and Dr Avin (AIIMS, Rishikesh). Dr P P Singh also gave monetary contribution to the Society on behalf of NZUSI. A heartfelt thanks to all.

Dharmawala: Fortnightly Urology Camp

Urology camps are being organized regularly at Dharmawala Hospital on the second and fourth Sunday of every month since last 8 years in which team of eminent Urologists from Delhi/Agra and other places offer their expertise and grace us. In this quarter, a total of 49 Uro surgeries were successfully performed by the team of Urologists. These included many complex and latest advanced procedures which are performed only in a few big hospitals and their cost is also very high and beyond the reach of the people hailing from low socio-economic strata.

Hospital's Health Camps

Dharmawala: Eye Surgery Camp

A total of 93 eye surgeries inclusive of 86 cataract (Phaco) and 7 Pterygium and Chalazion were conducted successfully in 13 camps organized in this quarter. The camp had the invaluable contributions from Eye surgeons Dr. Raj Kumar Gupta and (Lieutenant Colonel) Dr. Anil Sharma. SVHM Society expresses its gratitude for their services.

Eye Surgeon (Lieutenant Colonel) Dr. Anil Sharma seated 2nd from right with the beneficiaries

Eye Surgeon Dr Raj Kumar Gupta seated in the middle with the beneficiaries

Dharmawala: Spine Surgery Camp

27th December: A total of five surgeries were successfully completed in the camp. One of surgeries, Scoliosis Correction with Growth Rods was extremely complex and expensive was done completely free of cost. This surgery is performed in tertiary level hospitals only.

Dharmawala: Gastro Surgery Camp

4th December: A total of two major surgeries and few other minor surgeries were successfully conducted in the Gastro Surgery Camp organized at Dharmawala in which Gastro Surgeons (M. Ch Surgical Gastroenterology) Dr. Sunil Godara and Dr. Vijay Saini from S N Medical College, Agra gave their valuable contribution. They had especially come for this camp and both the major surgeries, Pseudo Pancreatic Cyst surgery and Intussusception with multiple perforations surgery done were extremely complex and difficult and are performed only in big tertiary level hospitals. SVHM Society expresses deepfelt gratitude for their services.

Hospital's Health Camps

Narayankoti: Surgery Camp

A total of 15 surgeries were performed in the camps during this quarter. Dr. M M Hamidi, General and Lap Surgeon and Dr. Chanchal, Anaesthetist from Yatharth Hospital Noida rendered their valuable services.

Haridwar: ENT and Thyroid Disorders Camp

Haridwar Hospital organized an Ear, Nose and Throat and Thyroid Disorder camp in which Otolaryngologists Dr. (Major) Jiten Singh and Dr. Pushp Kishore from Manipur and Dr. Achin Pant from Haldwani provided their services. Apart from this, Cochlear Implant specialist Colonel Dr. Sunil Goyal from Bagdogra, West Bengal also volunteered in this camp. The team also organized camps in villages for general populace as well as school children for hearing problems and other issues related to Ear, Nose, Throat and thyroid disorders. A total of 78 patients benefitted from these camps and 2 surgeries were also performed.

Hospital's Health Camps

Pipalkoti: Surgery Camp

3rd December: A total of 6 surgeries were performed in the camp. Dr. M M Hamidi, General and Lap Surgeon and Dr. Chanchal, Anaesthetist from Yatharth Hospital Noida rendered their valuable services.

Health and Relief Camp: Uttarkashi

19th December: Held at village Silla for the families affected by a fire incident, the camp conducted free Health check-up alongwith distribution of free woolen clothing for the poor and underprivileged victims. Woolen clothing was sponsored by Shri Maharshi Bhrgu Ashram.

Petshal: Surgery Camp

16th November: A total of 3 surgeries were performed in the camp. Dr Ajay Agarwal, General and Lap Surgeon from Rudrapur and Dr Samporn Singh, Anaesthetist from Medical College Base Hospital, Almora rendered their valuable services.

Petshal: Eye Camp

The camp was held on 6th and 13th of December in which Dr. J.C. Durgapal, a senior Ophthalmologist from Almora, provided his valuable services. Patients suffering from Cataract and requiring surgery were referred to Almora Medical College after due counselling and guidance.

Liver Fibroscan Camp: Delhi

Liver Fibroscan is a non-invasive diagnostic device used to measure liver scarring or fibrosis caused by a number of liver diseases. It is quick, painless, easy, and provides a non-surgical alternative to the traditional liver biopsy to assess liver damage. Use of Fibroscan allows repeated follow up examinations, which earlier would have required repeated liver biopsies.

Liver Fibroscan is useful for all patients suffering from:

- Chronic liver diseases
- Alcoholic and Non-alcoholic fatty liver disease
- Cirrhosis
- Genetic diseases such as hemochromatosis and Wilson's disease
- Autoimmune hepatitis

Expanding the Umbrella of Bal Gokulam to the Nearby Villages

Weekly Bal Gokulam in SVHM Society Hospitals (Inculcating Hindu Sanskar)

Every Sunday, Society organizes Bal Gokulam which is an initiative to inculcate cultural and moral values among children from villages in and around the vicinity of the SVHM Society hospitals. These activities include fun filled games, reciting Shloks from Srimad Bhagavad Gita, storytelling from Panchtantr and Yog. For Dharmawala, the nearby village, Partitpur was selected for the activity.

Patients Feedbacks (A Few) Which “Made us feel Proud”

Swami Vivekanand Charitable Hospital, Gangotri Dham

Mrs. N Vedhi, 63 years old resident of Bangalore, was brought in a serious condition to our medical outpost situated in the temple premises with complaints of severe breathing problems. After being given primary treatment and sensing the seriousness, she was immediately transferred to our main hospital. She was then given further treatment and was brought out of the critical state. After having recovered, she was then discharged. Her husband was overwhelmed with our treatment and expressed heartfelt gratitude. <https://www.youtube.com/watch?v=52jO7jyLxCc>

Swami Vivekanand Charitable Hospital, Shri Kedarnath Dham

A pilgrim from Hyderabad was brought to our hospital in a critical condition with complaints of shortness of breath, dizziness and disorientation. His blood sugar level was also quite high. Treatment was immediately begun and he was brought out of his critical state efficiently. Once improved and recovered, the patient was then discharged. The patient expressed his obligation for the treatment given by us and thanked everyone. <https://www.youtube.com/watch?v=eFRU4FhSibc>

Dr. Binodini Chauhan, a senior Gynaecologist and Foetal medicine specialist had come from Surat, Gujarat to render voluntary services at our hospital. Her statement that she considers herself fortunate enough to get an opportunity to serve at our hospital reflects how impressed she was with our hospital services. It is worth mentioning here that Dr. Binodini Chauhan, took time out from her busy schedule, provided voluntary services and bore the entire travel expenses herself. The Society expresses its heartfelt gratitude to her for this service. https://www.youtube.com/watch?v=-ugA_GDR_3w

Dr. Sheela Kumari, Professor and Head of the Physiology Department, Darbhanga Medical College, Bihar took time from her busy schedule as well as bore the travel expenses herself to come and provide voluntary services in our hospital. Being highly impressed, she compared our services to providing an elixir of life. She further said that the doctors and staff of the hospital take care of every patient, many of whom are in critical condition, with complete dedication and devotion. The Society expresses its heartfelt gratitude for her service. <https://youtu.be/-4mDxe5edio>

Three family members of a pilgrim from West Bengal reached our hospital in a serious condition, suffering from breathing problems, vomiting and dizziness. They had reached here after having faced the difficulty of not getting any proper treatment elsewhere and were in a worried and distressed state. Their treatment was started immediately, stabilized and discharged after recovery. All of them were full of praise and expressed their deepest gratitude. <https://www.youtube.com/watch?v=pj3eYxvNW20>

Char Dham Hospitals Services

Shri Kedarnath Dham Hospital

Even temperatures below -20 degrees do not deter us in the noble work of saving precious lives

Society's Shri Kedarnath Dham hospital has not stopped functioning even after the end of Char Dham Yatra season and is operational in extremely harsh winter weather conditions braving all odds.

7th December: A labourer working at "Chhani" Base Camp, located at a distance of 4 km from Shri Kedarnath Dham temple, became severely ill and was brought to our hospital by his 8 colleagues. The patient's condition was worrisome; he was having breathing problems, chest pain, fever and was having rigors etc. He was immediately admitted; treatment started and was finally brought out from critical state. After having recovered, he was discharged. All the labourers who came with the patient thanked the hospital immensely for saving the life of their co-worker.

<https://youtu.be/L6f4pH9WuD0>

Under Construction New 50 bedded Hospital at Shri Kedarnath Dham

SVHM Society has been running ICU equipped absolutely free hospitals in the Char Dhams of the state of Uttarakhand and catering to the health needs of lakhs of devotees coming for pilgrimage since the last 5 years. Society's hospital at Shri Kedarnath Dham has been doing the same since 2019. This ICU equipped 8 bedded facility situated at an altitude of 12000 feet has catered to more than 3.5 lakhs devotees since inception. This year the hospital attended more than 1 lakh 85 thousand patients.

Existing hospital functions in a temporary facility with limited space and is increasingly finding it difficult to manage such a high patient load. Keeping in view and sensing further increase in the patient input, the Society is constructing a new advanced 50 bedded high altitude charitable hospital located just in front of the existing hospital and barely 650 meters before the pious shrine. This new hospital will be equipped with latest and advanced equipment, will have 3 floors and will cater to the pilgrims in a more efficient and coherent manner.
